When the Virginia Legislature convened for its 1960 session yesterday, the oldest member of the State Senate, in point of service, was Appomattox's Chas. T. Moses. Mr. Moses is president pro tempore of the Senate, and chairman of the powerful Roads Committee. He went to the Senate in 1936.

A town employee was on the streets at 7 A. M. Monday, gathering up paper and trash. Said he that to get an early start, before many cars began parking. We agree with him both ways: it is a fine thing to keep the town clean, and it is nice to know that we can count on a lot of cars being customers to do business in downtown Appomattox.

Well sir, the seed and flower catalogs have appeared in the mail boxes all over. There are lots of "green thumbs" eagerly awaiting the first signs of spring. One of my favorite seed and flower catalogs is that of Breck's of Boston, a firm in business since 1818. Already, we see many garden spaces all plowed about ready to go!

Appomattox volunteer firemen held their first alarm call of the new year over the week-end. Two cars had been in collision on the Oakdale road, and one had caught fire as it was being towed in.

Your writer would like to commend the State Highway personnel for the very excellent manner in which they maintained town streets during the past year.

There will be a short meeting of the club's board of directors following the regular meeting.

Bank Deposits Near 7 Million

According to statements issued as of Dec. 31, bank deposits in Appomattox are approximately at the seven million dollar mark. This is a record total figure for the two local banks, and reflects the general economy as being on the upgrade.

The two statements as of Dec. 31 will be found elsewhere in today's issue.

Local Bank Shareholders Approve Boost

The annual shareholders' meeting of The Farmers National Bank was held Tuesday, at 6:30 P. M. There was a dinner meeting at the Appomattox Elementary School Cafeteria, attended by shareholders, bank officials and employees.

One of the feature action of the annual meeting was to approve, unanimously, a proposal that the capital stock of the bank be increased from the former $50,000 to $140,000.

This action was taken unanimously with 476 of the bank's 500 shares represented either in person or by proxy. This capital increase will go into effect when final approval follows tentative approval of the Comptroller of the Currency, and should be in effect as soon as the necessary routine procedure is expedited.

As another feature of the annual meeting, the shareholders re-elected all present officers of the bank and its directors. The vacancy on the board of directors caused by the death of Mr. T .W. Moses during the past year, was not filled for the present, and the shareholders adopted suitable resolutions in his memory.

The bank officials feel that this institution has a successful period of expansion, and that it will meet its opportunity to serve the financial interests of this growing area, and anticipates even greater growth in the decade ahead.

DEATHS

Mrs. Susan Goin Townsend

Mrs. Susan Goin Townsend, 69, died Monday morning, Jan. 4, at 11:15 at the Warner Hospital ,Gettysburg, Penna., after an illness of two years.

She was a daughter of the late William J. and Jane Morris Goin, of Liberty Chapel Baptist Church.

Surviving are the husband, Alton D. Townsend, and five children, Mrs. George F. Shelleman, of Gettsburg, Pa.; Mrs. Glenn D. Funt, Biglerville, Pa.; Mrs. John R. Funt, Mechanicsburg, Pa.; Mrs. James C. Grace, East Berlin, Pa.; T/Sgt. A. Lynwood Townsend, Harmon Air Force Base, Newfoundland; 13 grand children. Mrs. Townsend formerly resided near Appomattox, but had lived near Gettysburg, Penna., for the past 22 years.

Every business that offers men and women of Appomattox an opportunity to make an honest living, is an asset to the entire population.

Sen. Moses In Key Role

As president pro tempore of the State Senate, Chairman of the Roads Committee and oldest memebr in point of service (since 1936) Appomattox's State Senator Chas. T. Moses is in a position to play a key role as the 1960 session of the Virginia General Assembly convened yesterday.

Vital issues at stake will be a proposed state sales tax, and what to do, if anything, about the school problem in the state. As a side issue, there will be the constant issue of potential candidates for the office of Governor in the next election.

Senator Moses left Tuesday at noon for Richmond, to be present for the opening sessions.

Gov. Almond is expected to propose a state sales tax, and it is likely that some form of a sales tax will be enacted. But the form of the tax, and to what use it will be put will occupy much of the time of the legislators.

Appomattox will be represented in the House of Delegates by Dr. W. A. Pennington, of Buckingham, who succeeds the veteran legislator, John B. Boatwright, also of Buckingham,

SPOKE AT MEETING OF PAMPLIN RURITANS

By W. Lewis Motley,

Reporter

Ruritan Lieutenant Governor, Channing H. Moon, of Buckingham, Virginia, visited with the Pamplin Ruritan Club at their January meeting, Friday the 8th. He complimented the club members upon the fine work they did in remodeling the Pamplin School Cafeteria, as their March 1959 project. Club president, Ed. Ranson read the group a letter of appreciation for the work done on the cafeteria. The letter expressed the thanks of the school faculty, students, and patrons for the fine work done. It was written by the school principal, Mr. Daniel le Roux. During 1959 the Ruritans put tile on the kitchen walls, and on the dining room floor, and they did the walls of the cafeteria with white pine. The Ruritans also paid half on the order for a new set of chairs for the cafeteria.

In other remarks to the club, Governor Moon talked about the activities going on in other Ruritan Clubs. He complimented the group on their fine attendance. Only one club member has been absent from the past two meetings.

The Oakville P.-T. A. will meet Tuesday, January 19, at 7:30, at the Oakville school. Mr. J. A. Burke will be the guest speaker.

The year 1959 was a boom year in construction of new homes and buildings, additions and repairs.

One result will be a sizeable increase in the county tax revenue.

John C. Caldwell, Commissioner of the Revenue for Appomattox County, has announced that the records show that 73 new dwellings and buildings, and 18 additions were added to the taxable list during the year, with a total estimated cost of $467,088.00.

On current evaluations, this total should bring in a nice increase in county revenue.

A permit from the county is required for all new buildings and major additions or repairs.

The new year of 1960 is the year required by law for reassessment of property. This, also, should result in increasing the tax structure of the county.

Post Office Had Banner Year In '59

Interesting and informative figures as to the volume of business at the Appomattox Post Office were released this week by Postmaster Richard L. Wingfield. The Appomattox Garment Company was the largest user of the postal meter, using $29,734.40. Preston - Hopkinson Co. was second with around $2,100.

Receipts for the month of December, 1959, were $5,581.48,

Money orders for the year were $157,138.29. Money fees for the year were $2,910.36.

Postal receipts for the year from Jan. 1, 1959, to Jan. 1, 1960, were $267,239.86. This compared with the total of $258,743.89 for the previous year.

All parcel post rates will increase on February 1, 1960. The overall average will be 11%. Some of the changes will be 12 cents for .01 to $5.-00; 20 for $5.01 to $10.00, and .30 for $10.01 to $100.00.

SLIGHT DECREASE IN TRAFFIC DEATHS

Richmond, Jan. 13.- A slight reduction in Virginia's traffic deaths for 1959 was announced today by Colonel C. W. Woodson, Jr., Superintendent of State Police and Chairman of the Governor's Highway Safety Committee, as he tentatively set the score at 846. The toll for 1958 was 861.

Explaining the use of the word "tentative," Colonel Woodson explained that an upward revision could be expected due to late reporting and deaths of people now carried as injured, since, for statistical purposes, such deaths revert to the date of injury. "We will be fortunate to have attained a decrease of 10 deaths," he noted.

However, in the light of a rise of about 2.1 per cent in traffic volumes during the year, he was certain of again establishing the lowest death rate (deaths per 100 million miles of travel) in Virginia's history. The all-time low, established in 1958, was 5.6. Here, Colonel Woodson noted that the all-time high of 24.2 occurred in 1935.
